The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

CRIMINAL JUSTICE SYSTEM. VICTIMS' RIGHTS. CONSTITUTIONAL AMENDMENT AND STATUTE. Requires notification to victims and opportunity for input during phases of criminal justice process, including bail, pleas, sentencing and parole. Establishes victim safety as primary consideration in determining bail. Requires victims have safe access to courthouses. Provides more assistance collecting restitution. Prohibits release of defendants on their own recognizance for specified crimes, including serious or violent felonies. Authorizes courts of appeal to adjudicate death penalty appeals. Creates Department of Parole to handle all parole hearings. Requires prosecutors receive certain benefits and be paid salaries comparable to similar public attorneys. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: Increased state and county judicial system costs that may initially exceed \$100 million and amount to tens of millions of dollars annually thereafter on a statewide basis. A net increase in costs for state prison operations that, depending on circumstances, could range from millions to hundreds of millions of dollars annually. A potential net savings in the low tens of millions of dollars for the administration of parole reviews and revocations if the changes related to parole revocation procedures were not overturned by potential legal challenges. A net increase in local government costs for county jails, work release programs, probation supervision, and other local law enforcement agencies in the millions to tens of millions of dollars annually on a statewide basis. **VICTIMS RIGHTS AND PROTECTION ACT:
MARSY'S LAW – VERSION 2
DECEMBER 7, 2007**

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

TO THE HONORABLE SECRETARY OF THE STATE OF CALIFORNIA:

We, the undersigned, registered, qualified voters of California, residents of the afore-described County (or City and County), on the signature page of this petition section, hereby propose additions and amendments to the California Constitution and to the California Evidence Code, the California Government Code, and the California Penal Code, relating to the rights of victims of crime, and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to that general election or otherwise provided by law. The proposed statutory additions and amendments (full title and text of the measure) read as follows:

SECTION 1. TITLE

This Measure shall be known and may be cited as the "Victims Rights and Protection Act: Marsy's Law."

SECTION 2. FINDINGS AND DECLARATIONS

The People of the State of California hereby find and declare all of the following:

1. The rights of victims of crime are simply stated. They include the right to notice and to be heard during critical stages of the criminal justice system proceedings; the right to receive restitution from the criminal wrongdoer; the right to the enactment of statutes that promote and encourage the recruitment and retention of highly trained, career criminal prosecutors who have high ethical standards, who are free from conflicts of interest, and who are sensitive to the needs and rights of crime victims; the right to be and feel reasonably safe throughout all of the criminal proceedings against the wrongdoer; the right to expect the individually determined sentence of a judge to be honored and fully carried out; the right to expect the Legislature to properly fund the criminal justice system, so that the rights of crime victims stated in this Findings and Declarations and that justice itself are not eroded by inadequate resources; and, above all, the right to an expeditious and just punishment of the criminal wrongdoer that is an effective deterrent to future criminal wrongdoing.
2. The process by which criminal wrongdoers are held criminally accountable for their crimes has been given to the exclusive control of the government. The people of this state have surrendered any right or legal authority to take individual action to impose criminal punishment upon criminal wrongdoers, regardless of the extent of personal pain and suffering inflicted upon them by these criminal perpetrators.
3. It is, therefore, an important responsibility of government to ensure that law enforcement officials and prosecutors are enabled to employ an efficient justice system to investigate crimes committed against the people of this State, exercise their discretion to charge criminal wrongdoers with violations of the State's penal laws, detain criminal wrongdoers in order to ensure their attendance in criminal proceedings against them, protect crime victims and their families during the criminal justice process, fairly and speedily bring criminal wrongdoers to trial, impose just sentences on those wrongdoers who are convicted of the charges against them, and ensure that every individually imposed judicial sentence is fully and constitutionally carried out as ordered by the court.
4. The People of the State of California declare that the "Victim's Rights Act of 2008 - Marsy's Law" is needed to remedy a justice system that fails to fully recognize and adequately enforce the rights of victims of crime. It is named after Marsy, a 21-year old college senior at U.C. Santa Barbara who was preparing to pursue a career in special education for handicapped children and had her whole life ahead of her. She was murdered on November 30, 1983. Marsy's Law is written on behalf of her mother, father, and brother, who were often treated as though they had no rights, and inspired by hundreds of thousands of victims of crime who have experienced the additional pain and frustration of a criminal justice system that too often fails to afford victims even the most basic of rights.

5. The People of the State of California find that the "broad reform" of the criminal justice system intended to grant these basic rights mandated in the *Victims' Bill of Rights* initiative measure passed by the electorate as Proposition 8 in 1982 has not occurred as envisioned by the People. Victims of crime continue to be denied their right to swift and just punishment of their criminal wrongdoers, and to be denied their right to a criminal justice system that performs as it should.
6. The Criminal Justice System of California fails the victims and their families even in cases in which the rights of victims and the accused are the most critical - capital murder cases in which the law allows the imposition of a sentence of death upon the criminal wrongdoer.
7. "Night Stalker" Richard Ramirez, convicted murderer of 13 people, and 666 other "worst of the worst" murderers languish for decades on California's death row, draining almost \$60 million each year from California's taxpayers just to house and feed them while an overwhelmed system of death penalty appeals grinds slowly to a halt, denying everyone affected by the devastation of murder, condemned inmates and the families of their victims, a timely resolution that assures that death verdicts and punishments are justly applied.
8. California's arcane death appeal process established in 1849, which requires automatic appeal to only one court, the California Supreme Court, composed of just seven jurists, has created a backlog of death cases that causes death penalty appeals to be unresolved for decades. Capital murderers sentenced to death go unrepresented by an appellate attorney for an average of more than three years while they sit on death row.
9. United States Circuit Court Judge Arthur Alarcon declared in 2007 that we "must bring an end to the appalling delay in reviewing California death penalty convictions and reduce wasteful expenditure of millions of dollars in housing death row inmates for decades before determining whether their conviction or sentence should be vacated or affirmed."
10. In a recent Associated Press interview, California Supreme Court Chief Justice Ronald George stated that California's 20-30 year death penalty process has become "dysfunctional."
11. Even if the California Supreme Court were able to resolve the appeals of just one capital murderer every week, it would take that Court 12 years to resolve the backlog of appeals of capital murderers already on death row, and that backlog increases by more than 25 new condemned murderers each year. This is broken criminal justice that demands repair.
12. An inefficient, overcrowded, and arcane criminal justice system has failed to build adequate jails and prisons, has failed to efficiently conduct court proceedings, and has failed to expeditiously finalize the sentences and punishments of criminal wrongdoers. Those criminal wrongdoers are being released from custody after serving as little as 10% of the sentences imposed and determined to be appropriate by judges.
13. Each year hundreds of convicted murderers sentenced to serve life in prison, seek release on parole from our state prisons. California's "release from prison parole procedures" torture the families of their murdered victims and waste millions of dollars each year. Only in California are convicted murderers given appointed attorneys paid by the tax dollars of California's citizens, and they are often given parole hearings every year. The families of their murdered victims are never able to escape the seemingly unending torture and fear that the murderer of their loved one will be once again freed to murder again.
14. "Helter Skelter" Bruce Davis and Leslie Van Houghton, two followers of Charles Manson convicted of multiple brutal murders, have had 38 parole hearings during the past 30 years.
15. Parole Board commissioners, whose appointments must be confirmed by the State Legislature, have reported that they have been pressured by state legislators to parole more murderers in order to reduce the population of California's overcrowded prisons.
16. Prisoner rights groups push for laws to give state prison inmates privileges and comforts, such as access to pornography, violent "R" and "NC-17" movies, and overnight sex visits, seeking to reduce the punitive and deterrent value of punishment. Catering to these demands will bankrupt prison budgets and cause federal courts to order the release from prison of tens of thousands of convicted felons due to overcrowding in our prisons.

17. Like most victims of murder, Marsy was neither rich nor famous when she was murdered in 1983 at the age of 21 by a former boyfriend who lured her from her parents' home by threatening to kill himself. Instead he used a shotgun to brutally end her life when she entered his home in an effort to stop him from killing himself. Following her murderer's arrest, Marsy's mother was shocked to meet him at a local supermarket, learning that he had been released on bail without any notice to Marsy's family and without any opportunity for her family to state their opposition to his release.

18. Several years after his conviction and sentence to "life in prison" the parole hearings for his release began. In the first parole hearing Marsy's mother suffered a heart attack fighting against his release. Since then Marsy's family has endured the trauma of frequent parole hearings and constant anxiety that Marsy's killer would be released.

19. The experiences of Marsy's family are not unique. Thousands of other crime victims have shared the experiences of Marsy's family, caused by the failure of our criminal justice system to notify them of their rights, failure to give them notice of important hearings in the prosecutions of their criminal wrongdoers, and failure to provide them with an opportunity to speak and participate, with some measure of finality to the trauma inflicted upon them by the wrongdoer, and with actual and just punishment of that wrongdoer.

20. The enactments and amendments made by the "Victims Rights Act of 2008 – Marsy's Law" constitute rights of victims of crime and their families or are necessary to effectuate those rights within the meaning of Section 28 of Article I of the California Constitution.

SECTION 3. STATEMENT OF PURPOSES AND INTENT

It is the purpose of the People of the State of California in enacting this initiative measure to:

1. Invoke the rights of families of homicide victims to be spared the ordeal of prolonged and unnecessary suffering, and stop the waste of millions of taxpayer dollars, by eliminating hearings in which there is no likelihood a murderer will be paroled, and providing that a convicted murderer can receive a parole hearing no more frequently than every three years, and that the murderer can be denied a follow-up parole hearing for as long as fifteen years.
2. Provide the California Supreme Court greater authority, discretion, and resources to use more than one hundred California Court of Appeal justices to hear and resolve death penalty appeals.
3. Send convicted county jail inmates to do environmental cleanup, fire abatement, and other such public works projects while they are incarcerated to make effective the punitive, deterrent, and rehabilitative experiences of productive hard work, in order to reduce the danger that crime victims and their families will be again victimized by these inmates.
4. Establish guidelines for opening emergency jails and other such facilities to stop the early release of large numbers of convicted criminals from county jails caused by overcrowding of those jails.
5. Notify victims of all criminal proceedings and establish a specific and enforceable statutory right to notice during the criminal prosecutions of their wrongdoers.
6. Provide victims with a right to be heard at the critical stages of a criminal case, a right to a reasonable degree of safety and respect throughout the criminal justice process, a meaningful right to collect restitution from their criminal wrongdoers, and most importantly, a right to see their wrongdoers fairly and expeditiously punished as payment for the criminal wrongs they have committed and as a deterrent to their committing further crimes.
7. Impose on criminal prosecutors the highest standards of regular training and education in prosecutorial ethics and victims rights, to eliminate threats of bias and corruption arising from conflicts of interest, and to prohibit the exploitation of victims of crime for political or other purposes.
8. Provide assurances to victims that the criminal prosecutors who prosecute crimes on behalf of the People of the State of California and who are the primary sources of support and guidance to, and the sole courtroom voices of, victims of crime, are competent, ethical, non-conflicted, victim-sensitive, and respected career representatives of the People.

9. Ensure that the sentences and punishments individually imposed by judges on their criminal wrongdoers will be carried out as ordered, and not be undermined by political or economic pressures.

10. Secure justice for victims of crimes, by enforcing the Victims Bill of Rights passed by California's voters in 1982.

SECTION 4.

Section 12 of Article I of the California Constitution is repealed.

~~SEC. 12. A person shall be released on bail by sufficient sureties, except for:~~

~~--(a) Capital crimes when the facts are evident or the presumption great;~~

~~--(b) Felony offenses involving acts of violence on another person, or felony sexual assault offenses on another person, when the facts are evident or the presumption great and the court finds based upon clear and convincing evidence that there is a substantial likelihood the person's release would result in great bodily harm to others; or~~

~~--(c) Felony offenses when the facts are evident or the presumption great and the court finds based on clear and convincing evidence that the person has threatened another with great bodily harm and that there is a substantial likelihood that the person would carry out the threat if released.~~

~~--Excessive bail may not be required. In fixing the amount of bail, the court shall take into consideration the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at the trial or hearing of the case.~~

~~--A person may be released on his or her own recognizance in the court's discretion.~~

SECTION 5.

Section 28 of Article I of the California Constitution is amended to read:

When appellate jurisdiction in civil causes is determined by the amount in controversy, the Legislature may change the appellate jurisdiction of the courts of appeal by changing the jurisdictional amount in controversy.*

(b) Except as provided in subdivision (a), the appellate division of the superior court has appellate jurisdiction in causes prescribed by statute.

(c) The Legislature may permit courts exercising appellate jurisdiction to take evidence and make findings of fact when jury trial is waived or not a matter of right.

SECTION 10.

Section 12 of Article 6 of the California Constitution is amended to read:

SEC. 12. (a) The Supreme Court may, before decision, transfer to itself a cause in a court of appeal. It may, before decision, transfer a cause, including a cause in which a judgment of death has been pronounced, notwithstanding Section 11 of this article, from itself to a court of appeal or from one court of appeal or division to another. The court to which a cause is transferred has jurisdiction.

~~(d) This section shall not apply to an appeal involving a judgment of death.~~ (1) Oral argument in the Supreme Court shall not be required as a precondition to an order by the Supreme Court summarily affirming the judgment of the court of appeal. However, the Supreme Court may grant oral argument upon review of a court of appeal judgment in a cause in which death has been pronounced.

(2) The order of the Supreme Court granting oral argument in a cause in which death has been pronounced shall not preclude the Supreme Court from issuing an order summarily affirming the judgment of the court of appeal, nor shall it preclude the Supreme Court from issuing a written opinion addressing those parts of the decision of the court of appeal the Supreme Court concludes are necessary to its decision.

(3) Any decision of the Supreme Court that reverses all or any portion of the judgment of the court of appeal in any cause in which a judgment of death has been pronounced shall be preceded by oral argument and shall be by written decision with oral argument.

(e) Except as otherwise provided herein, and including a cause in which a judgment of death has been pronounced, the Judicial Council shall provide, by rules of court, for the time and procedure for transfer and for review, including, but not limited to, provisions for the time and procedure for transfer with instructions, for review of all or part of a decision, and for remand in a cause in which review has been improvidently granted.

Any cause described in paragraph (1) in which the Supreme Court does not retain appellate jurisdiction by written order shall be transferred to the court of appeal.

(3) The Supreme Court may in its discretion transfer to the court of appeal any other cause in which judgment of death has been pronounced that is pending in the Supreme Court as of November 8, 2008.

(4) In any cause in which a judgment of death has been pronounced and which comes within the appellate jurisdiction of the Supreme Court after November 8, 2008, the Supreme Court shall provide by written order within 120 days following the completion of briefing whether the Supreme Court will retain appellate jurisdiction over the cause, or whether the Supreme Court will transfer the cause to the court of appeal. The Supreme Court may, in its discretion, transfer to the court of appeal any other cause pending in the Supreme Court in which judgment of death has been pronounced prior to the completion of briefing in the Supreme Court.

(g) In order to produce a balanced allocation of causes in which judgment of death has been pronounced and to prevent undue delay in the appellate resolution of those causes, the Supreme Court may transfer those causes among the courts of appeal without regard to the location of the superior court in which the judgment of death was pronounced. The transfer of such causes shall not be limited to courts of appeal within whose geographical jurisdiction the judgment of death was pronounced.

(h) In all causes transferred by the Supreme Court to the courts of appeal, including causes in which judgment of death has been pronounced, publication of the written opinion of the court of appeal shall be determined by rules of court prescribed by the Judicial Council.

(f) If, following the testimony of the victim or an immediate family member of the victim, the defendant moves that the victim or immediate family member continue to be excluded from the proceeding, and the court determines that further testimony from that person is or might be sought by either party, the court shall immediately interrupt the proceedings to allow that person to complete his or her testimony, subject to cross-examination. The victim or immediate family member shall thereafter be allowed to be present at all subsequent proceedings, even if that person is excused subject to recall.

(g) If, once a victim or an immediate family member of the victim has completed his or her testimony, whether or not subject to recall, for any reason the court seeks to exercise its inherent authority to ensure the orderly administration of justice by excluding the victim or an immediate family member of the victim from the proceeding, the court shall conduct a hearing outside the presence of the jury. Any order thereafter entered excluding that person from the proceedings shall be made in writing, on the record, and entered into the minutes of the court, and shall state the unusual and extraordinary circumstances that require exclusion of that person, and the reasons why no steps short of exclusion would be sufficient to ensure the orderly administration of justice. SECTION 19.

Section 679.023 is added to Title 17 of Part 1 of the Penal Code to read:

679.023. (a) It is the intent of the People of the State of California in enacting this Section to preserve and protect the right of victims of crime and their families enumerated in subparagraph (E) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution, to the enactment of statutes that ensure that the prosecutor is free from actual conflicts of interest and the appearance of conflicts of interest in representing the People of the State of California in handling the prosecution of the accused.

(b) No criminal prosecutor, including an elected or appointed district attorney or city attorney, may knowingly receive or solicit a gift, donation, campaign contribution, service, use of real or personal property, or any other thing or service of value, from any criminal defendant, criminal defense attorney, or the immediate family, employees, or business partners of a criminal defendant or criminal defense attorney, during the time that the criminal defendant or the criminal defense attorney is litigating a criminal prosecution filed by the office of that criminal prosecutor. This provision shall be construed to prohibit the personal receipt or solicitation of items listed herein, direct or indirect solicitation efforts on behalf of another

SECTION 20.

Section 679.024 is added Title 17 of Part 1 of the Penal Code to read:

679.024. (a) *It is the intent of the People of the State of California in enacting this Section to facilitate and support the right of victims of crime specified in subparagraph (E) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution, to the enactment of legislation that promotes and encourages the recruitment and retention of highly qualified attorneys to become career criminal prosecutors, that mandates and facilitates high levels of training of these prosecutors, and that promotes high standards of prosecutorial ethics and sensitivity to the needs and rights of crime victims in representing the People of the State of California in handling the prosecution of the accused.*

(b) *Notwithstanding any other provision of law, every county and every office of the district attorney located therein, shall adhere to the following standards for deputy and assistant criminal prosecutors appointed pursuant to Section 24101 of the Government Code:*

(1) (A) *Elected and appointed district attorneys and their assistants and deputies, hereafter described as "criminal prosecutors," shall, during each two-year period, as a requirement of continued employment, complete eight hours of continuing legal education provided by a "prosecutors college," as defined in subparagraph (C). Four hours of this training shall be devoted to "Nifong Training," training that focuses upon the important subject of prosecutorial ethics in prosecuting criminal cases. Four hours of this training shall be devoted to training on the rights of crime victims in criminal prosecutions set forth in the "Victims Bill of Rights" enacted in 1982 by Proposition 8 and amended by the "Victims Rights Act of 2008 – Marsy's Law," and sensitivity training that focuses on crime victims in criminal prosecutions, and sensitivity training that focuses on the relationship between the prosecutor and the crime victim in a criminal prosecution.*

(B) *Each county shall provide to its criminal prosecutors the opportunity to obtain and provide continuing legal education specifically geared to prosecutors and designed to provide uniform statewide training. Each county shall provide or offer to, or allow if requested, its criminal prosecutors no less than 16 hours of paid time away from work, or compensatory time if completed on weekends, to attend or to teach at continuing legal education courses offered at a "prosecutors college." Each county shall provide to its criminal prosecutors reasonable and adequate time during working hours or reasonable and adequate compensatory time for study by its criminal prosecutors during non-working hours, to adequately study for promotional examinations, and to complete the continuing legal education described in this paragraph.*

(C) *For purposes of this section a "prosecutors college" is defined as educational courses offered by any statewide organization of criminal prosecutors of which at least eighty per cent of the elected and appointed district attorneys in California are members or have been members over a prior two-year period, which are authorized providers of mandatory continuing legal education (MCLE) certified by the State Bar of California, and which are nonprofit organizations under paragraph (6) of subdivision (c) of Section 501 of the Internal Revenue Code.*

(D) *The required continuing legal education described in subparagraph (A) shall be effective January 1, 2010. Prior to January 1, 2010, criminal prosecutors may comply with the mandated continuing legal education described in subparagraph (A) by an on-line, video, or written self study course developed by the prosecutors college at a fee not to exceed that charged for in-person attendance.*

(E) *In the event that there is no qualified provider capable and willing to provide the mandated ethics and victims rights training required by subparagraphs (A) or (B), the Attorney General shall ensure that the continuing legal education is provided. The means by which the Attorney General shall meet this mandate shall be within the discretion of the Attorney General.*

(F) *The provisions of subparagraph (B) shall apply only to counties of the first class.*

(2) *Each county shall pay a yearly membership fee on behalf of each criminal prosecutor it employs to one provider of continuing legal education as described in subparagraph (C) of paragraph (1). This membership fee shall not exceed twenty-five percent of the yearly dues paid by attorneys to the State Bar of California to practice law in California.*

(3) Each county shall provide to its criminal prosecutors upon their request, through collective bargaining or otherwise, health insurance plans of the Public Employees Medical and Hospital Care Act (PEMHCA) offered by CalPERS and shall pay the same percentage of the premiums of such plans that the county paid for non-PEMHCA health insurance plans for its criminal prosecutors as of January 1, 2007. If in the initial year of transfer to PEMHCA health insurance plans the cost of the county's subsidy of PEMHCA health insurance plan premiums exceeds the cost of the county's same percentage subsidy of non-PEMHCA health insurance plan premiums, the percentage of the premium paid by the participating prosecutor shall be adjusted so that no additional cost is incurred by the county, and the adjusted percentage shall be adopted as the new county contribution for the term of the coverage.

(4) In any county that has established an office of the public defender or its equivalent, or an office of the county counsel or its equivalent, deputy and assistant criminal prosecutors shall receive salaries and benefits, including a retirement plan, that are not less than the salary and benefits paid, and promotions to higher grades in comparable proportion and at comparable rates, to deputy and assistant public defenders and deputy and assistant county counsel of comparable position and years of service in the county, except that:

(A) Any employment benefit that may be granted as a group benefit to prosecutors and other county attorney groups, may be granted as a benefit to criminal prosecutors as a separate and individual class benefit, notwithstanding any other provision of law.

(B) Criminal prosecutors are deemed to be in a class known as "law enforcement officials" and may participate in collective bargaining with law enforcement organizations, including peace officers, and shall be allowed to join as members in or as affiliated members of any such local or statewide bargaining group or union which in its discretion agrees to accept criminal prosecutors as members or affiliates.

(5) Notwithstanding the exclusion of attorneys and physicians from the Federal Fair Labor Standards Act (FLSA) or any other provision of law, unless defined by their employer and treated as professional salaried employees, criminal prosecutors shall be accorded the same protections of the rules and regulations of the Fair Labor Standards Act as applied to employee groups who are protected by the rules and regulations of the Fair Labor Standards Act.

(A) Regardless of whether classified as salaried employees or non salaried employees, in addition to FLSA protections described in this paragraph, any criminal prosecutor participating in a criminal jury trial shall receive a minimum presumptive three hours of compensatory time for each day of that trial, including jury selection, but excluding jury deliberation time, and a minimum presumptive one hour per day of compensatory time for each full day assigned to conduct preliminary examinations, whether time spent preparing for trial or preliminary examinations was in the office, at home, or at some other location. A criminal prosecutor assigned to work in a courtroom with regular working hours shall receive compensatory time for actual hours of overtime worked in court beyond five o'clock in the afternoon.

(B) Criminal prosecutors shall be permitted to submit written documentation of actual hours worked and compensatory hours requested for trial, preliminary examination, or after normal court hours worked. Such written documentation by a prosecutor pursuant to this section shall accurately document the actual hours worked, whether or not pre-authorized or pre-approved, shall include the number of hours requested as compensatory hours, and shall be maintained as a personnel record by his or her office. No managerial policy or action shall seek to abridge the provisions of this paragraph or to dissuade prosecutors from working the hours necessary to adequately prepare for trial or preliminary examinations or from attending after hours court proceedings, from submitting accurate written documentation of actual time worked, or from seeking compensation as provided herein.

(C) The provisions of this paragraph shall apply only to counties of the first class as described in Section 28022 of the Government Code.

(c) (1) Except as provided in subparagraph (F) of paragraph (1) and subparagraph (C) of paragraph (5) of subdivision (b), the provisions of this Section shall also apply to deputy and assistant criminal prosecutors hired by every city and the office of the city attorney located therein, other attorneys employed by a city or county who handle criminal matters, and their employers.

(2) Except as provided in subparagraph (F) of paragraph (1) and subparagraph (C) of paragraph (5) of subdivision (b), the provisions of this Section shall also apply to all deputy attorneys general employed by the State of California, and who handle the prosecution of criminal cases at the trial and appellate level and related state and federal habeas corpus litigation. Unless otherwise specifically provided in this Section, all obligations imposed upon counties with respect to their criminal prosecutors shall also be imposed on the State of California with respect to deputy attorneys general. For the purpose of paragraph (4) of subdivision (b), relevant comparable entities shall include, but shall not be limited to, the State Public Defender's Office and the Habeas Corpus Resource Center.

(d) The provisions of this Section shall not be construed to diminish or permit a reduction in current salary and benefits or conditions of employment to levels that are less than the minimum standards set forth herein.

(b) (1) Notwithstanding any other provision of law, every local prosecutor, as defined in Section 20423.6 of the Government Code, shall be provided the benefit formula set forth in Sections 21362, 21363, or 21363.1 of the Government Code, as applicable. No decision by the state employer electing to be subject to Section 20401.5 of the Government Code shall be required, nor shall the state employer be required to include state public defenders, in order to comply with the provisions of this paragraph.

(c) The provisions of this Section shall apply only to a local prosecutor or state prosecutor described in subdivision (b) who meets all of the following requirements:

(a) *It is the intent of the People of the State of California in enacting this Section to preserve and advance the rights of victims of crime specified in paragraphs (3) and (6) of subdivision (a) of Section 28 of Article I of the California Constitution to expect that that the Legislature, and other governing bodies that are responsible for ensuring that public safety budgets, provide sufficient resources to house in any state prison, county jail, or other state or local correctional or rehabilitation facility, all persons sentenced to those institutions or otherwise judicially compelled to abide by limitations on their freedoms as punishment for criminal activity, so that sentences imposed upon criminal wrongdoers will not be thwarted by the premature release of these wrongdoers caused by inadequate physical or personnel capacity to incarcerate them.*

(b) In any county in which the overcrowding of inmates in the county jail has reached crisis levels as defined in Section 4004.6, the provisions of that Section shall become operable.

(c) In order to address the problems of overcrowding and congested conditions in the criminal justice system and to diminish their impact on the rights of crime victims, a pilot program, with implementation provisions, shall be established pursuant to Section 4004.7 to assess the applications of technology to overcrowding in the criminal justice system, including county jails and courthouses, caused by inefficient use of resources and application of technology and the failure of the Legislature and other governing bodies that are responsible for ensuring sufficient funding for public safety budgets, to provide sufficient resources to relieve these overcrowded and congested conditions.

Section 679.026 is added to Title 17 of Part 1 of the Penal Code to read:

679.026. (a) *It is the intent of the People of the State of California in enacting this Section to implement the right of victims of crime established in subparagraph (T) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution to be informed of the rights of crime victims enumerated in the Constitution and in the statutes of this state.*

~~(d) The actual costs of examination or copying pursuant to this section shall be borne or reimbursed by the defendant.~~

SECTION 24.

Section 1191.1 of the Penal Code is amended to read:

1191.4. (a) *The People of the State of California find and declare that although numerous statutes have been enacted since 1982 in an effort to implement subdivision (b) of Section 28 of Article 1 of the California Constitution, those measures have failed to provide victims of criminal activity with the tools necessary to collect restitution from persons convicted of or adjudicated to have committed the crimes or offenses for the losses suffered by these victims. It is the intent of the People in enacting this section to provide victims of criminal activity with these necessary tools.*

(b) (1) At the time of the entry of any order of restitution in a criminal or juvenile proceeding pursuant to Section 1202.4, Section 730.6 of the Welfare and Institutions Code, or any other provision of law, the court shall require the person who has been convicted of a crime in which there is a potential claim for restitution, or who has been ordered to make restitution, to complete and sign under penalty of perjury a form that provides at least the following information: (1) his or her full legal name and the full legal name of his or her spouse, (2) all aliases used during the preceding five years, (3) place and date of birth, (4) his or her social security account number and the social security account number of his or her spouse, (5) his or her drivers license and/or California identification numbers and the drivers license or California identification numbers of his or her spouse, (6) immigration card number, if the person is not a United States citizen, (7) passport number, (8) the address or location of all real property owned by him or her or by his or her spouse, (9) the vehicle license numbers and/or VIN numbers of all vehicles owned or registered in his or her name or the name of his or her spouse, (10) the account numbers of all accounts held individually or jointly in financial institutions, (11) the names and addresses of all employers during the preceding five years, (12) the names and addresses of all union memberships, (13) the names and account numbers of all life insurance policies of which the person is a beneficiary, and the name,

(3) A copy of the form described in paragraph (1) shall be provided to the office of the prosecuting attorney, who shall retain the copy as a permanent record, and to any victim to whom the person has been ordered to make restitution.

(4) At any time following the entry of an order of restitution as described in paragraph (1), the crime victim shall be entitled to conduct in the manner otherwise authorized by law an order of examination of the person ordered to make restitution.

(c) Notwithstanding any other provision of law, all monetary payments, monies, and property collected by the court or by the probation department, or held by the arresting agency, from any person who has been ordered to make restitution pursuant to Section 1202.4, Section 730.6 of the Welfare and Institutions Code, or any other provision of law, shall be first applied to pay the amounts ordered by the court as restitution to the victim.

(d) Notwithstanding any other provision of law, no court, probation officer, or other public employee or officer shall reduce the amount, rate or frequency of a court-ordered regularly scheduled restitution payment, unless the court first enters a finding that based on the face of a written motion to modify the restitution amount or payment schedule there is a clear justification for reducing restitution payments. The court shall hear a motion to modify the restitution amount or payment schedule only upon proof that the prosecuting attorney and the crime victim have been given at least thirty days actual notice of the motion.

(e) (1) Notwithstanding the entry of a court-ordered payment schedule, or a judicial finding of hardship to the defendant, a crime victim may retain the services of a private debt collector at any time to satisfy an order of restitution arising from a conviction in a criminal case utilizing lawful debt collection mechanisms applicable to satisfying a civil judgment.

(2) If restitution to the crime victim has not been paid in full at the end of three years following the initial entry of the order of restitution, the balance of the unpaid restitution, including a ten percent annual interest charge, shall by operation of law without further action by the court or any party be subject to a thirty percent surcharge to pay for the costs of private debt collection. If the victim or the next of kin of the victim have retained the services of a private licensed debt collection agency, that agency or the victim shall deliver to the court a signed copy of the debt collection contract authorizing collection of the balance of restitution, interest, and surcharge, and shall be provided with an order authorizing the collection of such sums by all legal means. All funds recovered by the private debt collection agency, including the thirty percent surcharge to be paid the debt collector on a pro-rata basis, shall be delivered to the court or probation officer and disbursed as ordered by the court to the crime victim and debt collection agency through the probation officer or the court. No private debt collector may charge a crime victim any fee or charge for expenses other than the thirty percent surcharge described herein.

(3) The jurisdiction of the court over restitution as provided herein shall extend beyond the termination of probation, the imposition of a sentence to the state prison, the termination of parole, and any other event or circumstance which might otherwise terminate the jurisdiction of the court over the case or the defendant, until restitution, interest, penalties, and surcharges have been paid or collected in full.

(f) ~~Notwithstanding any other provision of law, no court shall terminate the probation of any person who has been ordered to make restitution pursuant to Section 1202.4, Section 730.6 of the Welfare and Institutions Code, or any other provision of law, until the person has made restitution in full as provided in the restitution order.~~ no person ordered to pay restitution pursuant to Section 1202.4, Section 730.6 of the Welfare and Institutions Code, or any other provision of law, who has failed to pay in full the restitution, interest, penalties, and surcharges owed to the victim pursuant to this Section, shall receive any of the following:

- (1) an order successfully terminating probation;
- (2) an order terminating probation prior to the period ordered by the court;
- (3) an order reducing the conviction to a misdemeanor under the provisions of Section 17;
- (4) an order dismissing the charges under the provisions of Section 1203.4;
- (5) an order reducing, waiving, or expunging the restitution, interest, penalties, and surcharges owed; or
- (6) an order expunging the criminal record of the person.

(g) Notwithstanding any other provision of law, no court shall waive, expunge, or in any other manner excuse full compliance with any restitution ordered pursuant to Section 1202.4, Section 730.6 of the Welfare and Institutions Code, or any other provision of law, unless such action is at the express request or with the express permission of the victim or other person to whom restitution is owed.

(h) (1) Not later than January 1, 2010, the Department of Justice shall conduct and complete a study of the feasibility of authorizing procedures to assist crime victims to collect on restitution judgments that are utilized in the child support enforcement program pursuant to Title IV of the Social Security Act. These procedures shall include, but not be limited to, state and federal income tax refund intercepts, lottery winnings intercepts, social security intercepts, unemployment and disability insurance intercepts, general assistance and welfare benefits intercepts, real estate liens, liens on estates in probate proceedings, mandatory employer reporting of new hires, wage assignments and garnishment of wages, and state license matching (known as SLIMS).

(2) The Department of Justice shall recommend to the Legislature enactment of legislation necessary to implement procedures as described in paragraph (1) to assist crime victims in obtaining restitution. In the event that the Legislature does not enact such legislation, the Attorney General shall file the legislation as an initiative proposal for inclusion in the next election in which initiatives may be enacted.

(i) The Department of Justice shall develop and publish a handbook to be provided to crime victims describing the ways in which a restitution judgment may be enforced. The Department shall provide this written material to the probation officer in each county, who shall provide the material to crime victims. The Department shall also make this information available on its web site in a user-friendly format.

SECTION 26.

Section 1192.51 is added to Chapter 1 of Title 8 of Part 2 of the Penal Code to read:

1192.51. (a) It is the intent of the People of the State of California in enacting this section to facilitate the right of victims of crime specified in paragraph (4) of subdivision (a) of Section 28 of Article I of the California Constitution to be informed about and to appropriately participate in judicial proceedings against their wrongdoers, and to appropriately participate in proceedings involving the punishment and incarceration of their wrongdoers, and that victims of crime not be denied input into the criminal proceeding arising out of a plea agreement of which the victims are unaware between the prosecuting attorney and the defendant affecting either the charges or the sentence.

(b) In every criminal prosecution in which a victim is named in the accusatory pleading, and in which the prosecuting attorney and the defendant reach a plea agreement, the prosecuting attorney shall notify the victim or the next of kin of a deceased victim of the plea agreement, the date set for judgment and sentencing, and the right of the victim to provide input to the court prior to judgment and sentencing.

(c) In every criminal case described in subdivision (b), the defendant shall be advised prior to entry of a guilty or nolo contendere plea in substantially the following words:

"This plea agreement is subject to review and approval by the court after considering a pre-plea sentencing report and after hearing from any victim, immediate family member of the victim, or the next of kin of the victim. The prosecuting attorney shall make good faith efforts to notify the victim of the terms of the plea agreement, the date of judgment and sentencing, and the victim's right to speak at your sentencing. Prior to imposition of sentence upon you, the court will hear from any victim who desires to speak to the court about your case. If no victim is present at your sentencing, the court will ask the prosecuting attorney whether contact was made with the victim and for the victim's recommendation concerning your sentence. You will not be sentenced unless the victim has had an opportunity to give input regarding your sentence, unless the victim has waived his or her presence and right to be heard, or unless the court finds that further efforts at contacting the victim would be unsuccessful. If after hearing from the victim the court finds that the plea agreement is appropriate, you will be sentenced accordingly. If the court finds that the plea bargain is agreement is inappropriate, your guilty or no contest plea will be set aside, and you will have your right to trial and all of the other rights about which the court has advised you reinstated without prejudice to you."

(d) The failure of the victim to be notified pursuant to this section or to appear at the judgment and sentencing of the defendant shall not be grounds for the defendant to move to set aside the plea.

SECTION 27.

Section 1192.52 is added to Chapter 1 of Title 8 of Part 2 of the Penal Code to read:

1192.52. (a) *It is the intent of the People of the State of California in enacting this section to facilitate the rights of victims of crime specified in paragraphs (3) and (6) of subdivision (a) of Section 28 of Article I of the California Constitution to expect that persons who commit criminal acts will be appropriately detained in custody and to be informed about and to appropriately participate in proceedings involving the punishment and incarceration of their wrongdoers, and the right of victims of crime to be informed of the release or escape from custody of such persons, as provided in subparagraph (O) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution.*

(b) Every institution in this state, including, but not limited to, institutions of the Department of Corrections and Rehabilitation, the Department of the Youth Authority, the Department of Mental Health, and the sheriff of each county, shall comply with the following with regard to the release of persons sentenced or committed to the institution arising out of a criminal proceeding:

(1) Except as provided in paragraph (2), the institution shall give notice to the victim, as defined in paragraph (5) of subdivision (b) of Section 28 of Article I of the California Constitution, of the following information: the full legal name, court case number, custodial identifying number, primary charge, bail status, if any, sentence imposed by the court, date of initial custody, date of earliest lawful release from custody, scheduled release date, parole hearing date, if any, and actual release if release has already occurred. This notice may be in written, electronic, or telephonic form.

(2) In lieu of providing actual notice to a victim as provided in paragraph (1), the institution may provide constructive notice to the victim by maintaining a computerized database containing the requisite information that is easily accessible to crime victims utilizing electronic means such as the internet.

(3) The institution shall file a report monthly with the office of the Attorney General and District Attorney of the counties it serves, the city attorney of each city it serves that performs the function of criminal prosecution, and the presiding judge in the court of each county it serves. The report shall consist of a complete listing of all of the persons described in this section that are housed in or released from the institution. The report shall contain the information described in paragraph (1). The report shall be delivered in both a written and electronic format and shall be maintained by each institution. The report shall be a public record and its data shall be made available to the public.

(c) Regulations implementing procedures for compliance with this Section shall be developed by the Department of Justice and the Department of Mental Health in consultation with the California State Sheriffs Association and the California Police Chiefs Association.

(c) The provisions of paragraph (3) of subdivision (b) shall become effective January 1, 2009.

(d) The provisions of paragraphs (1) and (2) of subdivision (b) shall become effective January 1, 2010.

SECTION 28.

Section 1240 of the Penal Code is amended to read:

1240. (a) When in a proceeding falling within the provisions of Section 15421 of the Government Code a person is not represented by a public defender acting pursuant to Section 27706 of the Government Code or other counsel and he or she is unable to afford the services of counsel, the court shall appoint the State Public Defender to represent the person except as follows:

(1) The court shall appoint counsel other than the State Public Defender when the State Public Defender has refused to represent the person because of conflict of interest or other reason.

(2) The court may, in its discretion, appoint either the State Public Defender or the attorney who represented the person at his trial when the person requests the latter to represent him on appeal and the attorney consents to the appointment. In unusual cases, where good cause exists, the court may appoint any other attorney.

(3) A court may appoint a county public defender, private attorney, or nonprofit corporation with which the State Public Defender has contracted to furnish defense services pursuant to Government Code Section 15402.

(4) When a judgment of death has been rendered the Supreme Court or the court of appeal may, in its discretion, appoint counsel other than the State Public Defender or the attorney who represented the person at trial.

(b) If counsel other than the State Public Defender is appointed pursuant to this section, he or she may exercise the same authority as the State Public Defender pursuant to Chapter 2 (commencing with Section 15420) of Part 7 of Division 3 of Title 2 of the Government Code.

SECTION 29.

Section 1240.1 of the Penal Code is amended to read:

1240.1. (a) In any noncapital criminal, juvenile court, or civil commitment case wherein the defendant would be entitled to the appointment of counsel on appeal if indigent, it shall be the duty of the attorney who represented the person at trial to provide counsel and advice as to whether arguably meritorious grounds exist for reversal or modification of the judgment on appeal. The attorney shall admonish the defendant that he or she is not able to provide advice concerning his or her own competency, and that the State Public Defender or other counsel should be consulted for advice as to whether an issue regarding the competency of counsel should be raised on appeal. The trial court may require trial counsel to certify that he or she has counseled the defendant as to whether arguably meritorious grounds for appeal exist at the time a notice of appeal is filed. Nothing in this section shall be construed to prevent any person having a right to appeal from doing so.

(b) It shall be the duty of every attorney representing an indigent defendant in any criminal, juvenile court, or civil commitment case to execute and file on his or her client's behalf a timely notice of appeal when the attorney is of the opinion that arguably meritorious grounds exist for a reversal or modification of the judgment or orders to be appealed from, and where, in the attorney's judgment, it is in the defendant's interest to pursue any relief that may be available to him or her on appeal; or when directed to do so by a defendant having a right to appeal.

With the notice of appeal the attorney shall file a brief statement of the points to be raised on appeal and a designation of any document, paper, pleading, or transcript of oral proceedings necessary to properly present those points on appeal when the document, paper, pleading, or transcript of oral proceedings would not be included in the normal record on appeal according to the applicable provisions of the California Rules of Court. The executing of the notice of appeal by the defendant's attorney shall not constitute an undertaking to represent the defendant on appeal unless the undertaking is expressly stated in the notice of appeal.

If the defendant was represented by appointed counsel on the trial level, or if it appears that the defendant will request the appointment of counsel on appeal by reason of indigency, the trial attorney shall also assist the defendant in preparing and submitting a motion for the appointment of counsel and any supporting declaration or affidavit as to the defendant's financial condition. These documents shall be filed with the trial court at the time of filing a notice of appeal, and shall be transmitted by the clerk of the trial court to the clerk of the appellate court within three judicial days of their receipt. The appellate court shall act upon that motion without unnecessary delay. An attorney's failure to file a motion for the appointment of counsel with the notice of appeal shall not foreclose the defendant from filing a motion at any time it becomes known to him or her that the attorney has failed to do so, or at any time he or she shall become indigent if he or she was not previously indigent.

(c) The State Public Defender shall, at the request of any attorney representing a prospective indigent appellant or at the request of the prospective indigent appellant himself or herself, provide counsel and advice to the prospective indigent appellant or attorney as to whether arguably meritorious grounds exist on which the judgment or order to be appealed from would be reversed or modified on appeal.

(d) The failure of a trial attorney to perform any duty prescribed in this section, assign any particular point or error in the notice of appeal, or designate any particular thing for inclusion in the record on appeal shall not foreclose any defendant from filing a notice of appeal on his or her own behalf or from raising any point or argument on appeal; nor shall it foreclose the defendant or his or her counsel on appeal from requesting the augmentation or correction of the record on appeal in the reviewing court.

(e) (1) In order to expedite certification of the entire record on appeal in all capital cases, the defendant's trial counsel, whether retained by the defendant or court-appointed, and the prosecutor shall continue to represent the respective parties. Each counsel's obligations extend to taking all steps necessary to facilitate the preparation and timely certification of the record of all trial court proceedings.

(2) The duties imposed on trial counsel in paragraph (1) shall not foreclose the defendant's appellate counsel from requesting additions or corrections to the record on appeal in ~~either the trial court, the court of appeal, or the California Supreme Court~~ in a manner provided by rules of court adopted by the Judicial Council.

SECTION 30.

Section 1247a is added to Chapter 1a of Title 9 of Part 2 of the Penal Code to read:

1247a. (a) It is the intent of the People of the State of California in enacting this Section to authorize and mandate sufficient resources for the Supreme Court and the courts of appeal to implement and carry out the amendments made by this initiative measure to Sections 11 and 12 of Article 6 of the California Constitution.

(b) (1) The Legislature and the Administrative Office of the Courts shall study and develop a plan for funding and resources necessary to implement and carry out the amendments made by this initiative to Sections 11 and 12 of Article VI of the California Constitution.

(2) This plan described in paragraph (1) shall be designed to provide that in every case in which a judgment of death has been pronounced on or prior to the effective date of this initiative measure, the appeal will be heard and decided no later than five years following the amendments made by this measure to Sections 11 and 12 of the California Constitution.

(c) The Judicial Council shall have the authority provided in Section 1247k to prescribe by rules the practice and procedure that in the discretion of the Judicial Council will provide the most efficient and effective implementation of the amendments made by this measure to Sections 11 and 12 of Article I of the California Constitution.

SECTION 31.

Section 1270 of the Penal Code is amended to read:

1270. (a) ~~Any~~ Except as provided in subdivision (b), any person who has been arrested for, or charged with, an offense ~~other than a capital offense~~ may be released on his or her own recognizance by a court or magistrate who could release a defendant from custody upon the defendant giving bail, including a defendant arrested upon an out-of-county warrant. A defendant who is in custody and is arraigned on a complaint alleging an offense which is a misdemeanor, and a defendant who appears before a court or magistrate upon an out-of-county warrant arising out of a case involving only misdemeanors, shall be entitled to an own recognizance release unless the court makes a finding on the record, in accordance with Section 1275, that an own recognizance release will compromise public safety, ~~the safety of the alleged victim or the family of the alleged victim~~, or will not reasonably assure the appearance of the defendant as required. Public safety ~~and the safety of the crime victim and the crime victim's family~~ shall be the primary ~~consideration~~ considerations. If the court makes one of those findings, the court shall then set bail and specify the conditions, if any, ~~whereunder~~ under which the defendant shall be released.

(b) No person shall be released on his or her own recognizance if any one of the following circumstances are true:

- (1) The defendant is charged with the commission of a violent felony as described in subdivision (c) of Section 667.5;
- (2) The defendant is charged with the commission of a serious felony as described in subdivision (c) of Section 1192.7;
- (3) The defendant is charged with a felony alleged to have been committed while the defendant was on parole or probation; or

(4) The defendant is charged with a felony alleged to have been committed while the defendant was released from custody on bail or on own recognizance on another offense.

(c) Article 9 (commencing with Section 1318) shall apply to any person who is released pursuant to this section.

SECTION 32.

Section 1270.1 of the Penal Code is amended to read:

1270.1. (a) Before any person who is arrested for any of the following crimes may be released on bail in an amount that is either more or less than the amount contained in the schedule of bail for the offense, ~~or less than the amount requested by the prosecuting attorney in a filed bail deviation request or motion, or may be released on his or her own recognizance~~, a hearing shall be held in open court before the magistrate or judge:

(1) A serious felony, as ~~defined~~ described in subdivision (c) of Section 1192.7, or a violent felony, as ~~defined~~ described in subdivision (c) of Section 667.5, ~~but not including a violation of subdivision (a) of Section 460 (residential burglary)~~.

(2) A violation of Section 136.1 where punishment is imposed pursuant to subdivision (c) of Section 136.1, 262, 273.5, 422 where the offense is punished as a felony, or 646.9.

(3) A violation of paragraph (1) of subdivision (e) of Section 243.

(4) A violation of Section 273.6 if the detained person made threats to kill or harm, has engaged in violence against, or has gone to the residence or workplace of, the protected party.

(5) A felony alleged to have been committed while the defendant was on parole or probation.

(6) A felony alleged to have been committed while the defendant was released from custody on bail or on own recognizance on another offense.

(b) The prosecuting attorney, the alleged victim of the crime, or next of kin if the victim is deceased, and the defense attorney shall be given a two court-day written notice and an opportunity to be heard on the matter. If the detained person does not have counsel, the court shall appoint counsel for purposes of this section only. The hearing required by this section shall be held within the time period prescribed in Section 825.

(c) At the hearing, the court shall consider evidence of past court appearances of the detained person, the maximum potential sentence that could be imposed, and the danger that may be posed to other persons, ~~including the alleged victim of the crime and the family of the crime victim~~, if the detained person is released. In making the determination whether to

~~release the detained person on his or her own recognizance~~ reduce bail below the amount contained in the schedule of bail or the amount requested by the prosecuting attorney in a bail deviation request or motion, the court shall consider the potential danger to other persons, including threats that have been made by the detained person and any past acts of violence. The court shall also consider any evidence offered by the detained person regarding his or her ties to the community and his or her ability to post bond.

(d) If the judge or magistrate sets the bail in an amount that is either more or less than the amount contained in the schedule of bail for the offense, the judge or magistrate shall state the reasons for that decision and shall address the issue of threats made against the victim or witness, if they were made, in the record. This statement shall be included in the record.

SECTION 33.

Section 1272 of the Penal Code is amended to read:

1272. After conviction of an offense not punishable with death, a defendant who has made application for probation or who has appealed may be admitted to bail:

1. As a matter of right, before judgment is pronounced pending application for probation in cases of misdemeanors, or when the appeal is from a judgment imposing a fine only.

2. As a matter of right, before judgment is pronounced pending application for probation in cases of misdemeanors, or when the appeal is from a judgment imposing imprisonment in cases of misdemeanors.

3. As a matter of discretion in all other cases, except that a person convicted of an offense subject to this subdivision, who makes a motion for release on bail subsequent to a sentencing hearing, shall provide notice of the hearing on the bail motion to the prosecuting attorney and to the victim of the crime, or next of kin, at least five court days prior to the hearing. *If the person convicted of the offense does not know the address of the crime victim, the moving party shall provide the notice for the crime victim to the prosecuting attorney, who shall then provide the notice to the crime victim.*

SECTION 34.

Section 1272.1 of the Penal Code is amended to read:

1272.1. Release on bail pending appeal under subdivision (3) of Section 1272 shall be ordered by the court if the defendant demonstrates all the following:

(a) By clear and convincing evidence, the defendant is not likely to flee. Under this subdivision the court shall consider the following criteria:

(1) The ties of the defendant to the community, including his or her employment, the duration of his or her residence, the defendant's family attachments and his or her property holdings.

(2) The defendant's record of appearance at past court hearings or of flight to avoid prosecution.

(3) The severity of the sentence the defendant faces.

(b) By clear and convincing evidence, the defendant does not pose a danger to the safety of any other person, specifically including the victim of the crime or the family of the crime victim, or to the community.

Under this subdivision the court shall consider, among other factors, whether the crime for which the defendant was convicted is a violent felony, as ~~defined~~ described in subdivision (c) of Section 667.5, or a serious felony, as described in subdivision (c) of Section 1192.7, whether the defendant is on parole or probation for another offense, and whether the defendant was free on own recognizance or bail at the time of the alleged commission of the offense.

(c) The appeal is not for the purpose of delay and, based upon the record in the case, raises a substantial legal question which, if decided in favor of the defendant, is likely to result in reversal.

For purposes of this subdivision, a "substantial legal question" means a close question, one of more substance than would be necessary to a finding that it was not frivolous. In assessing whether a substantial legal question has been raised on appeal by the defendant, the court shall not be required to determine whether it committed error.

In making its decision on whether to grant defendants' motions for bail under subdivision (3) of Section 1272, the court shall include a brief statement of reasons in support of an order granting or denying a motion for bail on appeal. The statement need only include the basis for the order with sufficient specificity to permit meaningful review.

SECTION 35.

Section 1274 of the Penal Code is amended to read:

1274. When the admission to bail is a matter of discretion, the Court or officer to whom the application is made must require reasonable notice thereof to be given to the District Attorney of the county *and to the victim of the alleged crime.*

SECTION 36.

Section 1274.5 is added to Article 1 of Chapter 1 of Title 10 of Part 2 of the Penal Code to read:

1274.5. No person charged with murder or attempted murder, or any other offense carrying a potential life sentence, shall be released on bail unless the officer with custody of the accused person has first made reasonable efforts to notify the alleged victim of the crime or the family of the crime victim of the impending release of the accused. The prosecuting attorney shall upon request provide the contact information of the victim or the family of the victim to the officer with custody of the accused person.

SECTION 37.

Section 1275 of the Penal Code is amended to read:

1275. (a) (1) In setting, reducing, or denying bail, the judge or magistrate shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, *the protection of the crime victim and the crime victim's family from harm and threats of harm arising from cooperation with prosecution efforts throughout the criminal or juvenile justice process,* and the probability of ~~his or her~~ the defendant's appearing at trial or hearing of the case. *The public safety and the safety of the crime victim and the crime victim's family shall be the primary consideration considerations.*

(2) In considering the seriousness of the offense charged, the judge or magistrate shall include consideration of the alleged injury to the victim, and alleged threats to the victim, *the family of the victim,* or a witness to the crime charged, the alleged use of a firearm or other deadly weapon in the commission of the crime charged, and the alleged use or possession of controlled substances by the defendant.

(b) In considering offenses wherein a violation of Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code is alleged, the judge or magistrate shall consider the following: (1) the alleged amounts of controlled substances involved in the commission of the offense, and (2) whether the defendant is currently released on bail for an alleged violation of Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code.

(c) Before a court reduces bail below the amount established by the bail schedule approved for the county, in accordance with subdivisions (b) and (c) of Section 1269b, for a person charged with a serious felony, as ~~defined~~ described in subdivision (c) of Section 1192.7, or a violent felony, as ~~defined~~ described in subdivision (c) of Section 667.5, the court shall make a finding of unusual circumstances and shall set forth those facts on the record. For purposes of this subdivision, "unusual circumstances" does not include the fact that the defendant has made all prior court appearances or has not committed any new offenses.

SECTION 38.

Section 1382.1 is added to Chapter 8 of Part 10 of Title 2 of the Penal Code to read:

1382.1. (a) It is the intent of the People of the State of California in enacting this Section to preserve and advance the right of victims of crime specified in paragraph (3) of subdivision (a) of Section 28 of Article I of the California Constitution to expect that persons who commit criminal acts will be expeditiously brought before and tried by the courts, and not dismissed prior to the last day on which the case may be brought to trial pursuant to Section 1382, and to advance the right of victims of crime specified in subparagraph (N) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution, to a speedy and prompt final conclusion of the case.

(b) Notwithstanding the provisions of Section 1382, no court shall dismiss an information or indictment pursuant to Section 1382 or any other provision of law in any felony case in which

(1) the defendant has not waived time for trial and the People request the court to set the trial or to continue the trial to a date that is within 60 days of an event described in paragraph (2) of subdivision (a) Section 1382;

(2) the defendant has entered a general waiver of time for trial and the People request the court to set the trial or to continue the trial to a date that is within 60 days of an event described in subparagraph (A) of paragraph (2) of subdivision (a) of Section 1382; or

(3) the defendant has requested or consented to the setting of a trial date beyond the 60 day period described in paragraph (2) of subdivision (a) of Section 1382 and the People request the court to set the trial or to continue the trial to a date that is within 10 days of an event described in subparagraph (B) of paragraph (2) of subdivision (a) of Section 1382.

(c) Notwithstanding the provisions of Section 1382, no court shall dismiss a complaint pursuant to Section 1382 or any other provision of law in any misdemeanor case in which

(1) the defendant is in custody and has not waived time for trial, and the People request the court to set the trial or to continue the trial to a date that is within 30 days of an event described in paragraph (3) of subdivision (a) Section 1382;

(2) the defendant is not in custody and has not waived time for trial, and the People request the court to set the trial or to continue the trial to a date that is within 45 days of an event described in paragraph (3) of subdivision (a) of Section 1382;

(3) the defendant has entered a general waiver of time for trial and the People request the court to set the trial or to continue the trial to a date that is within 30 days of an event described in subparagraph (A) of paragraph (3) of subdivision (a) of Section 1382;

(4) the defendant has requested or consented to the setting of a trial date beyond the periods described in subparagraph (B) of paragraph (2) of subdivision (a) of Section 1382, and the People request the court to set the trial or to continue the trial to a date that is within 10 days of an event described in that subparagraph (B) of paragraph (3) of subdivision (a) of Section 1382.

(d) A good cause showing as required by Section 1050 shall not apply to a request by the People to continue a trial to another date within the time periods specified in subdivisions (b) and (c).

(e) If the court continues or trails a trial during the 10-day period described in paragraph (3) of subdivision (b) or in paragraph (4) of subdivision (c) at the motion or direction of the court to accommodate court congestion or administrative needs of the court, the period of time attributable to the continuance or trailing shall not be deemed to count against the 10-day period described herein.

SECTION 39.

Section 1473.1 is added to Chapter 1 of Title 12 of Part 2 of the Penal Code to read:

1473.1. (a) In any proceeding held pursuant to this chapter in which the court enters or has entered a discovery order requiring the respondent to make disclosures to the petitioner, the court shall enter an order requiring the petitioner and his or her attorney to disclose to the respondent and his or her attorney:

(2) One year prior to the inmate's minimum eligible parole release date a panel of two or more commissioners or deputy commissioners shall again meet with the inmate. ~~and shall normally set a parole release date as provided in Section 3044.5.~~ No more than one member of the panel shall be a deputy commissioner. In the event of a tie vote, the matter shall be referred for an en banc hearing by the board. ~~If the panel, or in the event of a tie vote the board, sets a release date, the~~ The release date shall be set in a manner that will provide uniform terms for offenders and their offenses of similar gravity and magnitude in respect to their threat to the public, and that will comply with the sentencing rules that the Judicial Council may issue and any sentencing information relevant to the setting of parole release dates.

(3) ~~The board shall be guided by the presumption that the term to be served by the inmate is life in prison. The board shall establish and consider relevant criteria for determining whether the presumption that the inmate shall serve a life term is overcome and that the inmate should be released on parole prior to his or her death. the setting of parole release dates and in doing so-~~ In determining whether the inmate should be released on parole prior to his or her death, the board shall consider the following factors: the facts of the commitment crimes, the facts of the inmate's prior felony convictions, the danger that the release of the inmate would pose to the community, the inmate's entire criminal history, including the inmate's performance on grants of parole and probation, the number of victims of the crimes for which the inmate was sentenced, the impacts upon the victims of the inmate's commitment crimes and the inmate's prior felony convictions, and other factors in mitigation or aggravation of the commitment crimes ~~crime~~ and of the inmate's prior felony convictions, the inmate's history of drug and alcohol use and addiction, the inmate's work history, the psychological and psychiatric evaluations of the inmate while incarcerated, the performance and conduct of the inmate while incarcerated, the fact and details of any disciplinary finding or criminal conduct by the inmate since incarcerated, and any other relevant criteria contained in Rule 4.421 and Rule 4.423 of the California Rules of Court.

(5) Neither the board nor a panel of the board shall exclude reasonably reliable evidence from any source that bears upon the risk of danger which the release of the inmate might pose.

(6) At least one commissioner of the panel shall have been present at the last preceding meeting, unless it is not feasible to do so or where the last preceding meeting was the initial meeting.

(b) Any person on the hearing panel may request review of any decision regarding parole for an en banc hearing by the board. In case of a review, a two-thirds majority vote in favor of parole by the board members participating in an en banc hearing is required to grant parole to any inmate.

~~(b)-(c) The panel or the board, sitting en banc, shall consider and be guided by the criteria for the setting of parole release dates set forth in subdivision (a) set a release date unless it determines that the gravity of the current convicted offense or offenses, or the timing and gravity of current or past convicted offense or offenses, is such that consideration of the public safety requires a more lengthy period of incarceration for this individual, and that a parole date, therefore, cannot be fixed at this meeting. After the effective date of this subdivision, any.~~ Any decision of the parole panel finding an inmate suitable for parole shall become final within 120 days of the date of the hearing. During that period, the board may review the panel's decision. The panel's decision shall become final pursuant to this subdivision unless the board finds that the panel made an error of law, or that the panel's decision was based on an error of fact, or that new information should be presented to the board, any of which when corrected or considered by the board has a substantial likelihood of resulting in a substantially different decision upon a rehearing. In making this determination, the board shall

consult with the commissioners who conducted the parole consideration hearing. No decision of the parole panel shall be disapproved and referred for rehearing except by a majority vote of the board, sitting en banc, following a public hearing.

~~(e)~~ (d) For the purpose of reviewing the suitability for parole of those inmates eligible for parole under prior law at a date earlier than that calculated under Section 1170.2, the board shall appoint panels of at least two persons to meet annually with each inmate until the time the person is released pursuant to proceedings or reaches the expiration of his or her term as calculated under Section 1170.2.

~~(d)~~ (e) It is the intent of the ~~Legislature~~ *People* that during times when there is no backlog of inmates awaiting parole hearings, life parole consideration hearings or life rescission hearings, hearings will be conducted by a panel of three or more members, the majority of whom shall be commissioners. The board shall report monthly on the number of cases where an inmate has not received a completed initial or subsequent parole consideration hearing within 30 days of the hearing date required by subdivision (a) of Section 3041.5 or paragraph (2) of subdivision (b) of Section 3041.5, unless the inmate has waived the right to those timeframes. That report shall be considered the backlog of cases for purposes of this section, and shall include information on the progress toward eliminating the backlog, and on the number of inmates who have waived their right to the above timeframes. The report shall be made public at a regularly scheduled meeting of the board and a written report shall be made available to the public and transmitted to the Legislature quarterly.

~~(e)~~ (f) For purposes of this section, an en banc hearing by the board means a hearing conducted by a committee of nine randomly selected commissioners who are specifically appointed to hear adult parole matters, selected by the chairperson. SECTION 45.

Section 3041.1 of the Penal Code is amended to read:

Up to 90 days prior to a scheduled release date, the Governor may request review of any decision by a parole authority concerning the grant or denial of parole to any inmate in a state prison. The Governor shall state the reason or reasons for the request, and whether the request is based on a public safety concern, a concern that *the criteria relevant to the setting of parole release dates enumerated in subdivision (a) of Section 3041* ~~gravity of current or past convicted offenses may~~ have been given inadequate consideration, or on other factors. When a request has been made, a randomly selected committee comprised of nine commissioners specifically appointed to hear adult parole matters and who are holding office at the time, shall review the parole decision. In case of a review, a vote in favor of parole by a *two-thirds* majority of the commissioners on the committee shall be required to grant parole to any inmate. In carrying out any review, the board shall comply with the provisions of this chapter.

SECTION 46.

(4) The prisoner *and any person described in subdivision (b) of Section 3043* shall be permitted to request and receive a stenographic record of all proceedings.

(5) If the hearing is for the purpose of postponing or rescinding of parole dates, the prisoner shall have rights set forth in paragraphs (3) and (4) of subdivision (c) of Section 2932.

(6) *The board shall set a date to reconsider whether an inmate should be released on parole that ensures a meaningful consideration whether the inmate is suitable for release on parole.*

(b) (1) Within 10 days following any meeting where a parole date has been set, the board shall send the prisoner a written statement setting forth his or her parole date, the conditions he or she must meet in order to be released on the date set, and the consequences of failure to meet those conditions.

(2) Within 20 days following any meeting where a parole date has not been set ~~for the reasons stated in subdivision (b) of Section 3041~~, the board shall send the prisoner a written statement setting forth the reason or reasons for refusal to set a parole date, and suggest activities in which he or she might participate that will benefit him or her while he or she is incarcerated.

~~(B) Up to five years after any hearing at which parole is denied if the prisoner has been convicted of murder, and the board finds that it is not reasonable to expect that parole would be granted at a hearing during the following years and states the bases for the finding in writing. The prisoner shall be notified in writing of the deputy commissioner's decision. The board shall adopt procedures that relate to the criteria for setting the hearing between two and five years. Ten years after any hearing at which parole is denied, unless the board finds by clear and convincing evidence that the criteria relevant to the setting of parole release dates enumerated in subdivision (a) of Section 3041 are such that consideration of the public safety does not require a more lengthy period of incarceration for the prisoner than seven additional years.~~

(C) Three years, five years, or seven years after any hearing at which parole is denied, because the criteria relevant to the setting of parole release dates enumerated in subdivision (a) of Section 3041 are such that consideration of the public safety requires a more lengthy period of incarceration for the prisoner, but does not require a more lengthy period of incarceration for the prisoner than seven additional years.

~~(3) (4) The board may in its discretion advance a hearing set pursuant to subparagraph (a) or (b) of paragraph (3) to an earlier date, when a change in circumstances or new information establishes a reasonable likelihood that consideration of the public safety does not require the additional period of incarceration of the prisoner provided in subparagraph (a) or (b) of paragraph (3).~~

(5) Within 10 days of any board action resulting in the postponement of a previously set parole date, the board shall send the prisoner a written statement setting forth a new date and the reason or reasons for that action and shall offer the prisoner an opportunity for review of that action.

~~(4) (6) Within 10 days of any board action resulting in the rescinding of a previously set parole date, the board shall send the prisoner a written statement setting forth the reason or reasons for that action, and shall schedule the prisoner's next hearing within 12 months and in accordance with paragraph (2).~~

(c) The board shall conduct a parole hearing pursuant to this section as a de novo hearing. Findings made and conclusions reached in a prior parole hearing shall be considered in but shall not be deemed to be binding upon subsequent parole hearings for an inmate, but shall be subject to reconsideration based upon changed facts and circumstances. At each hearing the board shall determine the appropriate action to be taken based on the criteria set forth in paragraph (3) of subdivision (a) of section 3041.

(d) (1) An inmate may request that the board exercise its discretion to advance a hearing set pursuant to paragraph (3) of subdivision (b) to an earlier date, by submitting a written request to the board which shall set forth the change in circumstances or new information that establishes a reasonable likelihood that consideration of the public safety does not require the additional period of incarceration of the inmate.

(2) The board shall have sole jurisdiction to determine whether to grant or deny a written request made pursuant to paragraph (1), and its decision shall be subject to review by a court or magistrate only for a manifest abuse of discretion by the board. The board shall have the power to summarily deny a request that does not comply with the provisions of this subdivision or that does not set forth a change in circumstances or new information as required in paragraph (1) that in the judgment of the board is sufficient to justify the action described in paragraph (4) of subdivision (b).

(3) An inmate may make only one written request as provided in paragraph (1) during each three year period. Following either a summary denial of a request made pursuant to paragraph (1), or the decision of the board after a hearing described in subdivision (a) to not set a parole date, the inmate shall not be entitled to submit another request for

a hearing pursuant to subdivision (a) until a three-year period of time has elapsed from the summary denial or decision of the board.

SECTION 57.

Section 4004.7 is added to Chapter 1 of Title 4 of Part 3 of the Penal Code to read:

4004.7. (a) (1) It is the intent of the People in enacting this Section to address overcrowded and congested conditions in the criminal justice system, including county jails and courthouses, caused by the failure of the Legislature and other governing bodies that are responsible for ensuring sufficient funding for public safety budgets, to provide sufficient resources to relieve these overcrowded and congested conditions.

(2) Overcrowded and congested conditions in county jails undermine the rights of victims of crime specified in paragraphs (3) and (6) of subdivision (a) of Section 28 of Article I of the California Constitution to expect that the Legislature, and other governing bodies that are responsible for ensuring that public safety budgets, provide sufficient resources to house in any state prison, county jail, or other state or local correctional or rehabilitation facility, all persons sentenced to those institutions or otherwise judicially compelled to abide by limitations on their freedoms as punishment for criminal activity, so that sentences imposed upon criminal wrongdoers will not be thwarted by the premature release of these wrongdoers caused by inadequate physical or personnel capacity to incarcerate them.

(3) Overcrowded and congested conditions in courthouses undermine the right of victims of crime specified in subparagraph (A) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution to expect that crime victims and witnesses can enter a criminal courthouse to participate in the criminal justice system without being subjected to intimidation, harassment, abuse, and danger.

(4) Overcrowded and congested conditions in the criminal justice system undermine the right of victims of crime specified in paragraph (3) of subdivision (a) and subparagraph (N) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution to expect that criminal wrongdoers will be expeditiously charged, brought before the courts, tried, and punished, and that there will be a speedy and prompt final conclusion of the case.

(5) In order to better protect the rights of victims of crime as described in this subdivision, measures must be taken, and new technology applied, to alleviate these overcrowded and congested conditions.

(b) (1) Each county and the courts of this State located therein, or other authority in charge of courthouse security, shall establish and implement procedures whereby named victims of crime, the immediate family of the victim, and support persons for the victim and the victim's family, are provided safe access to buildings in which courtrooms are located.

(2) Every subpoena or notice of hearing issued to a crime victim shall contain a courthouse security bypass authorization that shall give the victim, the immediate family of the victim, and support persons for the victim and the victim's family, priority placement in the courthouse security line in order to be expeditiously assisted through courthouse security screening.

(3) Wherever practicable, a separate courthouse entrance, security line, and designated and restricted safe seating area in the courthouse, shall be established for crime victims and the families of crime victims, so that these persons are not required to stand in the same line or wait in the same room or area of the courthouse with criminal defendants, their associates, or their families.

(4) (A) In order to address the problem of overcrowding in the criminal justice system and to diminish the impact of that overcrowding on courthouses and their ability to focus resources on the security screening of dangerous persons, thereby protecting, criminal prosecutors shall be permitted to enter buildings in which courtrooms are located without passing through metal detectors and other electronic security devices, without their persons or property being searched, and without their having to stand in any public line to enter such buildings that might include criminal defendants or persons connected to criminal defendants.

(B) All criminal prosecutors shall be issued distinctive identifying badges and photo identification cards that shall be maintained in their possession while inside any courthouse and displayed upon the lawful request of any peace officer.

(C) The presiding judge of each county may in his or her discretion extend security bypass authorization as described in subparagraph (A) to judges, to deputy and assistant public defenders, to alternate public defenders, to private news media staff who are assigned full time to offices within the court building or who regularly cover the courts, and to active members of the state bar in good standing.

(D) The presiding judge of each county may in his or her discretion extend security bypass authorization as described in subparagraph (A) to court staff, district attorney office staff, and to the office staff of the clerk of the court, provided that the persons described in this subparagraph have worked in a full-time position for the county for a minimum of ten years.

(E) The county, or other entity responsible for courthouse security, may charge a yearly fee calculated at a rate not exceeding fifty percent of the amount of state bar dues in exchange for issuance of a security bypass "Officer of the Court" identification card, if requested by attorneys in private practice who are members of the state bar in good standing, and may for an identical fee issue a "Court Press" identification card requested by members of the news media described in subparagraph (B). The State Bar may charge a reasonable fee for issuance of a certificate of good standing.

(c) In order to address the problem of overcrowding in the criminal justice system and to diminish the impact of that overcrowding on the rights of crime victims and their immediate families as described in subdivision (a), a pilot program, with implementation provisions, shall be established to assess the applications of technology to alleviate and reduce overcrowding in the criminal justice system.

(1) A ten-year pilot project shall be established and an efficacy and efficiency study shall be conducted in the Antelope Valley Branch Courthouse of the Los Angeles County Superior Court, and in the Los Angeles County Jail, if feasible, and may also be conducted in such other counties in California that have suitable courthouse and jail facilities to conduct a meaningful pilot project as determined and selected by the Judicial Council, in consultation with the Administrative Office of the Courts. The goals of the pilot project shall be:

(A) To utilize advances in technology and communications to conserve limited public safety dollars by reducing the cost of transporting inmates to and from jail facilities for arraignment and other pre-trial court proceedings;

(B) To reduce congestion and security risks in courthouses by reducing the required personal physical attendance at and transportation to court proceedings of inmates incarcerated in the county jail;

(C) To expedite the criminal trial process and thereby promote speedier trials and final dispositions of criminal cases;

(D) To decrease the risk of harm, intimidation, abuse, and danger to crime victims and their immediate families by reducing the courthouse contact between these victims and defendants, their families, and associates;

(E) To facilitate economical and efficient communication between incarcerated defendants and their attorneys;

(F) To improve courthouse security by limiting the in-person presence of incarcerated defendants in criminal proceedings to jury or court trials, evidentiary motions, judgment and sentencing, and any other proceeding in which the defendant's in-person presence is required by the Constitution of the United States.

(2) The attendance of an incarcerated defendant in the pilot project shall, as soon as practicable, and except as described in subparagraph (F) of paragraph (1), occur by remote video that permits real-time interaction from the county jail or other secured location deemed suitable by Sheriff of Los Angeles County.

(A) An electronic system of remote video that permits real-time interaction viewing and communications shall be installed in the arraignment, preliminary hearing, and criminal trial courts the Antelope Valley Branch of the Los Angeles County Superior Court. The system of viewing shall be designed and installed in a manner that allows the defendant an opportunity to fully participate in arraignment, preliminary hearing, and other non-evidentiary pretrial proceedings from the county jail or other secure facility selected by the sheriff, and to have an adequate ability to hear and view proceedings, and an opportunity to participate and interact with his or her attorney.

(B) An electronic security screening system shall be implemented in order to secure the safe attendance of crime victims and witnesses at court proceedings.

(3) To implement the pilot project described in subdivision (A) of paragraph (2), five million dollars shall be appropriated from the general fund of the State of California to enable the Judicial Council, in consultation with the Administrative Office of the Courts, to enter into a contract covering partnership and system development, installation, and a system analysis focusing upon the economic and due process features of the technology.

(4) To operate the pilot project described in subdivision (A) of paragraph (2), up to one million dollars shall be appropriated each year from the general fund to pay for local operational costs.

(5) Notwithstanding any statute, ordinance, or regulation, any California-based corporate or individual donor, including a corporation or foundation organized under paragraph (3) of subdivision (c) of Section 501 of the Internal Revenue Code, shall be permitted to donate equipment, software, cash for the purchase of equipment and software, and expertise necessary to operate the pilot project. Implementation of the pilot project shall be contingent upon the receipt of sufficient private donations to acquire the necessary hardware and software.

(6) (A) There shall be formed an advisory committee to recommend guidelines for the pilot project to the Judicial Council and the Administrative Office of the Courts in order to ensure that the function and structure of the project satisfies federal and state constitutional requirements.

(B) The advisory committee shall be composed of one representative selected by each of the following persons: the Chief Justice of the California Supreme Court; the chair of the Board of Governors of the State Bar of California; the presiding judge of the Superior Court, sheriff, president of the prosecutors union or association of local prosecutors, and president of the county bar association of the county, all of the county in which the pilot project is implemented; two public sector experts in technology and government regulations appointed by the Governor; and a chairperson appointed by the Governor.

(C) The advisory committee described in this paragraph shall provide a yearly report on the progress of the pilot project. The first yearly report shall be made within one year of the completed implementation of the pilot project.

(D) The Judicial Council and Administrative Office of the Courts may utilize donations of equipment, software, and supplies that exceed the installation and operating costs of the pilot project to install additional pilot projects in courts other than the one described in subparagraph (A) of paragraph (2) of subdivision (c).

(7) If at any time during the ten-year pilot project, the Judicial Council determines that significant financial savings, diminished courthouse congestion, and/or increased court security can be attained without violating the constitutional rights of criminal defendants, the Judicial Council, in consultation with the Administrative Office of the Courts shall have

the authority to implement the pilot project described in subparagraph (A) of paragraph (2) of subdivision (c) in additional courthouses and jails in this State on a permanent basis, subject to adequate funding by the Legislature.

SECTION 58.

Chapter 1.1 (commencing with Section 4040) is added to Title 4 of Part 3 of the Penal Code to read:

CHAPTER 1.1. CIVIL RIGHTS OF COUNTY JAIL INMATES.

4040. (a) It is the intent of the People of the State of California in enacting this statute to implement and effectuate the rights of victims of crime guaranteed in paragraph (4) of subdivision (a) of Section 28 of Article I of the California Constitution and in subparagraph (N) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution, to expect that a criminal wrongdoer will be sufficiently punished, and that the punitive and deterrent effect of the incarceration will not be undercut or diminished by the granting of comforts, privileges, or other rights to incarcerated criminal wrongdoers that are not required by the United States Constitution or the laws of the State of California. It is the further intent of the People of the State of California in enacting this statute to ensure that the granting of comforts, privileges, or other rights to incarcerated wrongdoers does not divert resources required to meet a primary obligation of each county to provide adequate facilities and personnel to incarcerate criminal wrongdoers for the full terms of their sentences.

(b) Notwithstanding any other provision of law, no person confined in a county jail or any other local facility, including a state prison inmate or parolee housed in the county jail, as a result of a sentence or judgment, including a judgment in which imposition or execution thereof has been suspended, arising out of a criminal proceeding, shall be entitled to any right, privilege, or comfort, no matter how described, that the Constitution of the United States or the laws of the State of California do not require be granted to such persons.

(c) The Sheriff of each county, or his or her designee, shall be authorized to grant or to deny, in his or her discretion, to persons confined in a facility described in subdivision (b), any right or privilege not required to be granted by the Constitution of the United States or the laws of the State of California. In determining whether to grant a right or privilege not required to be granted by the Constitution of the United States or the laws of the State of California, the Sheriff or his or her designee shall be guided by the declaration of policy in paragraph (1) of subdivision (a) of Section 1170 that the purpose of imprisonment for crime is punishment.

(d) (1) It is a primary responsibility of each county to see that resources appropriated to the sheriff by the county for the maintenance and operation of the county jail are used to ensure that sentences imposed upon persons committed to the county jail are carried out, and that no early release of county jail inmates occurs due to inadequate space to house them.

(2) In the event that the sheriff or a federal or state court finds that the inmate population of any facility described in subdivision (b) exceeds its lawful capacity, or a federal or state court orders that inmates receive early releases from custody due to inadequate space to house them, the Sheriff shall suspend all privileges for sentenced prisoners that are not guaranteed to inmates by the Constitution of the United States, and shall reallocate resources to the primary responsibility of the county to provide adequate space to house all inmates for the full terms of their sentences.

SECTION 59. Intent Clause.

It is the intent of the People of the State of California in striking the language of existing subdivision (e) of Section 28 of Article I of the California Constitution and in amending Section 28 of Article 1 of the California Constitution to add subdivision (f), to re-enact as amended existing subdivision (e). Existing subdivision (e) of Section 28 of Article 1 of the California Constitution was passed by the electors as part of Proposition 8 on June 8, 1982, but did not become operative, because its provisions conflicted with the provisions of Proposition 4, which enacted Section 12 of Article 1 of the California Constitution, and which was approved by the electors at the same election with a higher affirmative vote.

SECTION 60. Intent Clause.

It is the intent of the People in repealing Section 12 of Article 1 of the California Constitution to remove an existing provision of the California Constitution that conflicts with subdivision (f) of Section 28 of Article I of the California Constitution, so that subdivision (f) of Section 28 will become operative.

SECTION 61. Intent Clause.

It is the intent of the People in amending Section 12838 of the Government Code, in repealing Section 12838.4 of the Government Code, in enacting Section 12840 of the Government Code, and in enacting Section 3044 of the Penal Code, to reduce political and economic influences and pressures upon the Board of Adult Parole Hearings in carrying out its responsibility pursuant to Article 3 of Chapter 8 of Title 1 of Part 3 of the Penal Code to determine whether to allow prisoners imprisoned in the state prisons pursuant to subdivision (b) of Section 1168 of the Penal Code to go upon parole outside the prison walls and enclosures. It is the intent of the People to thereby better ensure the right of crime victims set forth in subparagraph (R) of paragraph (1) of subdivision (b) of Section 28 of Article 1 of the California Constitution to expect that the Board of Adult Parole Hearings will follow the criteria for granting parole set forth in paragraph (3) of subdivision (a) of Section 3041 of the Penal Code, and that parole decisions will be made only on the criteria specified in Section 3041 and not on the basis of political or economic influences and pressures.

It is the further intent of the People in enacting Section 12840 of the Government Code to reduce political and economic influences and pressures upon the Board of Juvenile Parole in carrying out its responsibility to determine whether to allow a ward incarcerated in a facility or institution under the jurisdiction of the Juvenile Facilities Division of the Department of Corrections and Rehabilitation to go upon parole outside the walls and enclosures of the facility or institution. It is the intent of the People to thereby better ensure the right of crime victims set forth in subparagraph (R) of paragraph (1) of subdivision (b) of Section 28 of Article 1 of the California Constitution to expect that the Board of Juvenile Parole will follow only the appropriate criteria for granting parole to a juvenile ward, and that parole decisions will not be made on the basis of political or economic influences and pressures.

It is the intent of the People of the State of California in enacting Article 15 (commencing with Section 12840) of Chapter 1 of Part 2.5 of Division 3 of Title 2 of the Government Code, to overturn the legislative enactments made by Senate Bill No. 737 in the 2005-2006 Legislative Session [Stats. 2005 ch. 10] that placed parole hearings of adult inmates and parole decisions of juvenile wards under the jurisdiction of the Department of Corrections and Rehabilitation.

SECTION 62. Intent Clause.

It is the intent of the People in amending Section 1054.9 of the Penal Code, in enacting Section 1473.1, and in enacting Section 1474.5 of the Penal Code, to expedite the disposition of postjudgment proceedings in order to better ensure the right of victims of crime to a speedy and prompt final conclusion of a criminal case, as provided in subparagraph (N) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution.

SECTION 63. Intent Clause.

It is the intent of the People in amending Sections 1270, 1270.1, 1272, 1272.1, 1274, and 1275 of the Penal Code, and in adding Section 1274.5 to the Penal Code, to better protect the right of victims of crime to receive reasonably adequate protection from the accused and persons acting on behalf of the accused from harm and threats of harm, as provided in subparagraphs (B) and (C) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution and subdivision (f) of Section 28 of Article 1 of the California Constitution.

SECTION 64. Intent Clause.

It is the intent of the People in amending Sections 3041, 3041.1, 3041.5, 3041.7, 3043, 3043.2, 3043.5, and 3043.6 of the Penal Code, and in adding Sections 3043.4 and 3043.7 to the Penal Code, to better protect the right of victims of crime to be informed of parole procedures and notified of parole proceedings, to participate in the parole process, and to provide information to the Board of Adult Parole Hearings prior to the parole of the offender, as provided in subparagraph (S) of paragraph (1) of subdivision (b) of Section 28 of Article I of the California Constitution.

It is the further intent of the People in amending Sections 3041, 3041.1, 3041.5, 3041.7, 3043, 3043.2, 3043.5, and 3043.6 of the Penal Code, and in adding Sections 3043.4 and 3043.7 to the Penal Code that these provisions as amended and enacted be applied to all parole proceedings for all inmates incarcerated in the Department of Corrections whose crimes were committed prior to, as well as those inmates whose crimes were committed on or after, the effective date of this initiative measure. However, it is the intent of the People in amending and enacting these Sections to comply with the constitutional principles set forth in *Garner v. Jones* (2000) 529 U.S. 244, 251, and *California Department of*

Corrections v. Morales (1995) 514 U.S. 499, 511, such that any provision amended or enacted herein shall not be deemed to apply to any person whose crime was committed prior to the effective date of this initiative measure and who is able to show that the provision amended or enacted creates a significant risk of prolonging his or her incarceration.

SECTION 65. Severability clause.

If any provision of this Act, or part thereof, or the application thereof to any person or circumstances is for any reason held to be invalid or unconstitutional, the remaining provisions which can be given effect without the invalid or unconstitutional provision or application shall not be affected, but shall remain in full force and effect, and to this end the provisions of this Act are severable.

SECTION 66. Conflict Clause.

It is the intent of the People of the State of California in enacting this Act that if any provision in this Act conflicts with another section of law which provides for greater rights of victims of crime, that the latter provision shall apply.

SECTION 67. Amendment Clause.

The statutory provisions contained in this Act may not be amended by the Legislature except by a statute passed in each house by rollcall vote entered in the journal, three-fourths of the membership of each house concurring, or by a statute that becomes effective only when approved by the electors. However, the Legislature may amend the statutory provisions of this Act to expand the scope of their application, to recognize additional rights of victims of crime, or to further the rights of victims of crime by a statute passed by majority vote of the membership of each house.
